## INSTITUTE AT SALUBRIA

Will Bring Together a Large Representation Of the County's Farmers.

### THE TRAINS WILL STOP.

A Farmer Gives His Views Of The Good Roads Question.

Preparations are well under way for the County Institute at Salubria and the attendance is confidently expected to be very large.

Mr. Chas. E. Barker, of the Committee in Charge has displayed much energy in getting things in shape for the meetings both days. The discussions on Alfalfa Friday and Good Roads Saturday will be the features of the institute.

The Fiscal Court is expected to take part in the last day's program. County Attorney John C. Duffy will deliver the last address of the day. Mr. Barker has arranged for L. & N. trains to stop, going and coming, at Salubria and people from this city can run out and spend a pleasant day at the springs and attend the Institute.

### A FARMER'S VIEWS

On the Important Work of the Farmers' Institute to Meet To-Morrow.

EDITOR KENTUCKIAN:—The Christian County Farmers' Institute to be held at Salubria Springs, Aug. 21-22 deserves more than a passing notice from the taxpayers and farmers of this and adjoining counties.

The two days' work has been divided into topics of utmost importance. On the first day the whole afternoon will be devoted to Alfalfa. This topic has been subdivided and each division will be discussed by men who have had experience and made a success, and who are enthusiastic in their efforts to get others to sow Alfalfa. There is no question about this being a splendid section for its growth, and that all of our lands that are well drained, with good red clay subsoil, will produce it finely.

The afternoon of the second day will be devoted entirely to Good Roads. Mr. Jno. C. Duffy, our County Attorney, and Judge C. O. Prowse have promised to have the County Court attend and talk to the taxpayers about our road system. Surely there can be no more important matter for the farmers than to find out how and where \$44,000 dollars was spent on roads in Christian county last year. That our old system is utterly worthless is the opinion of the people generally, and there can be no better time nor place to discuss this matter and devise some better system, than under those big trees in front of the Salubria Hotel.

At this meeting the selection of one or more delegates to the State Institute must be made. These county delegates constitute our State Institute that selects our State Board of Agriculture, which board in the last few years has become a very important factor to the farmers of Kentucky.

The committee that arranged this program has tried to make it as useful as possible, and assures the people of this vicinity that they will make no mistake in attending this meeting.

A Member of Committee.

### Loiterers Fined.

Several arrests have been made this week in police court. Two negro loiterers were given six days each in the workhouse and several other fines were imposed for breaches of the peace. Chief Roper has also rounded up several negroes on

## CITY SCHOOLS START AUG. 31

Rates To Be Charged Non-Resident And Under Age Pupils.

### TWO NEW TEACHERS.

Plan On Foot To Secure Services Of Instructor In Athletics.

The City Public Schools will open the fall session on Monday, August 31 and the Board of Trustees has announced the following tuition charges for children not entitled to the free benefits of the schools:

Primary grades \$25.00, Grammar grades \$30.00 and High School \$40.00 per session, payable quarterly in advance.

All children under the school age of 6 years July 1, 1908, will not be entitled to free benefits until July 1, 1909, and must pay the same as non-residents, that is \$6.25 each quarter in advance. This applies to children who may have already reached the school age since the listing period for the school census, July 1st.

The schools will reopen with but few changes from last year. There will be two new teachers in the High School, Prof. E. C. McDonald and Miss Ellen Young, who take the places vacated by Prof. W. A. Evans and Miss Lelia Mills.

Supt. Hamlett will probably try to make arrangements with Rev. C. H. H. Branch, pastor of the Presbyterian church, to act as coach for the football team. Mr. Branch is a trained athlete, not many years removed from college life, and would be a capable and experienced coach for the boys in the athletic department.

## BAND CONCERT

Given Tuesday Evening At Hotel Latham Corner.

The Band Concert Tuesday night was held at the crossing of Virginia street and Central Avenue and was attended by the usual large crowd. Extra precautions were taken to insure good order and the people were subjected to fewer grounds for complaint than at any previous concert.

Band master Lebkuecher gave an unusually attractive program of eight or ten numbers.
